

Who am I?

- I am a freelance creative specialising in prop making, set design for immersive experiences, hospitality venues, retail spaces and events, product & packaging design, prop sourcing and set installation.
- I am a highly organised, reliable and conscientious individual. I fit easily into teams, and have the confidence to lead and motivate others as well as work independently.
- I take great pride in my work, paying meticulous attention to detail to ensure I meet the needs of every client and project to the highest standard.
